

Combo Series

Combo 2 - 2.4 m Single Shelves

Aussie Shade and Hot Houses are

- Simple to assemble
- Almost maintenance free
- Have built in shelf system included
- Unique long life UPVC construction (manufacturer states minimum 20 year life)
- Strong and sturdy and able to withstand very high wind loads when correctly peg down.
- Help reduce pest and reduces pesticide use.
- Impervious to white ants and mildew
- Galvanised steel shelves
- Designed and made in Australia since 1986
- 10 Year Warranty on the Frame and Fittings

In the past you had the choice of either a shade house or green house. Now with an ASHH COMBO you can have the best of both worlds.

The best part, changing from a shade house to a greenhouse takes just a few minutes and is simple to do. Your Aussie Combo will provide orchids/bromeliads/vegetables indeed all types of plants with the perfect growing conditions all year round.

HOW CAN IT BE SO SIMPLE?

1. Fit the frame with the supplied wall and roof combination that suits your plant and the weather conditions at that time.
2. When the weather conditions change or you plant's need different growing conditions, simply remove the walls and/or roof and replace it with another optional combination.

IT IS LIKE NO OTHER GREENHOUSE ON THE MARKET

The Combo is designed to suit your climate, to suit your plants, to suit your location and to protect
