

AUSSIE HUTCH

- Designed for people with limited space for the storage of plants. Ideal for siting near a wall or fence especially in units and retirement villages.
- Suitable for balconies, narrow pathways, etc.
- Two levels of shelving plus flat roof for hanging baskets.
- Shade cover on top and sides with a dropdown flap on the front.
- Optional shade cloth rear cover can be purchased separately.
- UV Stabilized PVC frame and galvanised steel shelves.
- Simple to assemble and maintenance free.
- Impervious to white ants and mildew.
- 10 year frame and fittings warranty.
- Designed and made in Australia since 1986
